OXFORD HILLS DISTRICT HIGH SCHOOL

DEDICATION TO

Lester B. Harriman

Paul D. Ball

*The sweetest lives are those to duty wed,
Whose deeds both great and small
Are close-knit strands of an unbroken thread
Where devotion ennobles all.*

Elizabeth B. Browning

KEITH W. CUNNINGHAM, A.B., M.A.
Principal

*To each one is given a marble to carve for the wall;
A stone that is needed to heighten the beauty of all;
And only his soul has the magic to give it grace;
And only his hands have the cunning to put it in place.*

Edwin Markham

James Phillips, L. Dexter Wheeler, Robert Sessions, Glen Chute, Robert Harlow, Roscoe Downing, Henry Small, Albert Soule, Jesse DeGoosh, Lloyd Mason.

THE THINKERS

Back of the beating hammer
 By which the steel is wrought,
 Back of the workshop's clamor
 The seeker may find the Thought—
 The Thought that is ever master
 Of iron and steam and steel,
 That rises above disaster
 And tramples it under heel!

The drudge may fret and tinker
 Or labor with lusty blows,
 But back of him stands the thinker,
 The clear-eyed man that knows;
 For into each plow or saber,
 Each piece and part and whole,
 Must go the Brains of Labor,
 Which gives the work a soul!

Keith W. Cunningham, Robert S. Spear, Howard I. Libby, Lester B. Harriman.

ADMINISTRATION

THE THINKERS

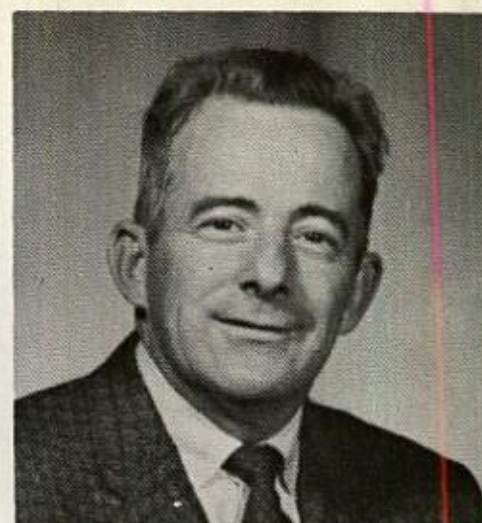

Back of the motors humming,
 Back of the bells that sing,
 Back of the hammers drumming,
 Back of the cranes that swing,
 There is the eye which scans them
 Watching through stress and strain,
 There is the Mind which plans them—
 Back of the brawn, the Brain!

Might of the roaring boiler,
 Force of the engine's thrust,
 Strength of the sweating toiler—
 Greatly in these we trust.
 Back of them stands the Schemer,
 The Thinker who drives things through;
 Back of the Job—the Dreamer
 Who's making the dream come true!

For friendship is nothing else than agreement on all matters, divine and human, with kindness and love; indeed, I scarcely know whether, with the exception of wisdom, any better thing has been given to man by the immortal gods.

OXFORD HILLS
HIGH SCHOOL SEAL

The earliest Vikings were cruel and faithless members of Scandinavian bands of sea rovers. They were an adventurous people who were enemies of civilization and the science of peaceful co-existence, although many of their invasions led to important settlements and influenced the development of Europe for many years.

The Vikings, who were merciless in killing the defeated and who fought with savage cruelty, had keen qualities of intelligence and imagination which enabled them to learn rapidly from the civilized people and quickly adopt the Christian religion.

As civilization entered into the Vikings' life, they eventually departed from their cruel ways and their savage love for destruction, and quickly adopted a vastly new way of life, changing from plundering pirates to civilized traders.

The Oxford Hills High School's green and gold school seal is based on the idea that finally developed in the Viking civilization, the idea of peaceful living, cooperation among their fellow-men, and a strict code of honor.

The twin Dreki figureheads, facing east and west

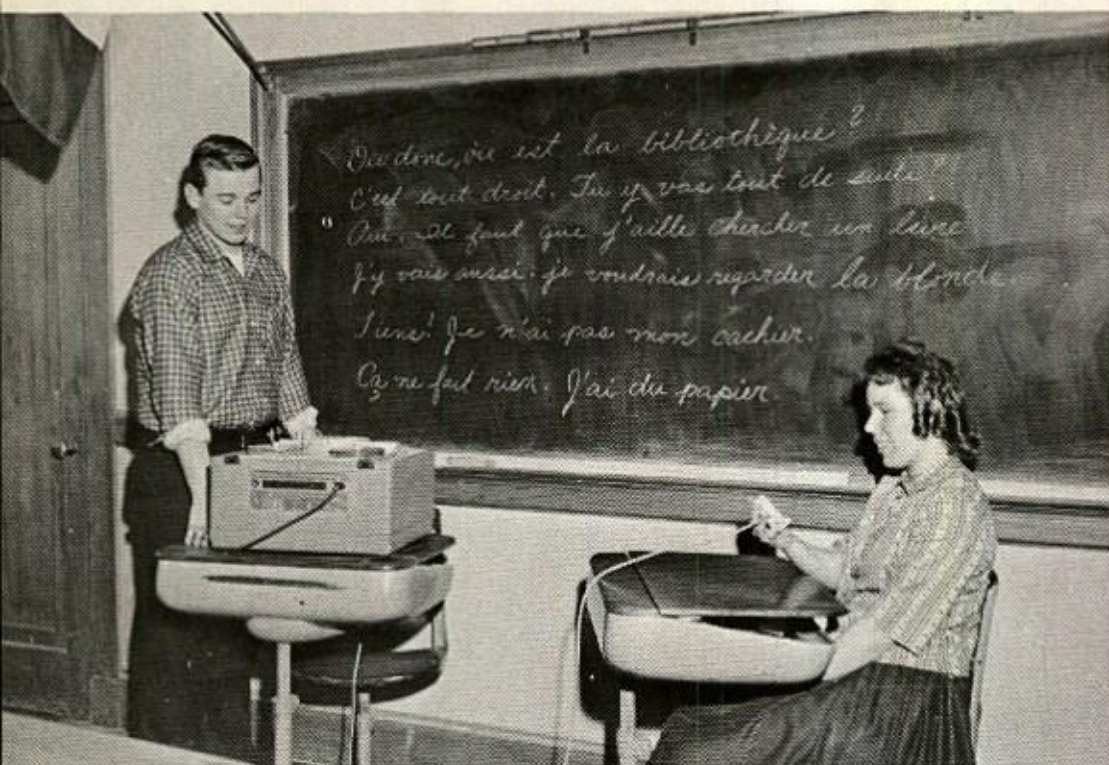

in the center of the seal, represent the twin towns of Norway and South Paris.

Forming a semi-circle around the figureheads is the ivy wreath representing the fast growing communities and the progress shown in the successful consolidation of two separate schools into one school district, advanced in ideas and ideals.

Vertically through the center of the seal is the banner displaying the motto "Forward ever, Backward never" which was chosen by the Student Council to signify the aspirations and ambitions of the student body toward the highest goals attainable in life.

Oxford Hills District High School, lettered just inside the points, signifies the combined efforts of all toward solidarity.

The six points extending outward are symbolic of the challenge for growth in the areas exemplified by the cardinal principles of education: health, command of fundamental processes, worthy home membership, worthy use of leisure time, vocation, civic education, and ethical character.
